

Miracle Mart South Broadway Meat Department

Stop in and ask Dwight, the Meat Department Manager and expert!

The Meat Department at South Broadway Miracle Mart features a large service case. Our service case carries Angus Pride Choice Beef, Fresh Sausage, Fresh Fish and “Smokey Dan’s” Homemade Smoked Sausage, Beef sticks, Jerky and Bacon. In our service case we will offer any cut of Beef or Pork. If you don’t see it, we will cut it for you.

We also offer Gold N Plump Chicken, which is some of the best Chicken you can buy, which Wal-Mart does not carry.

We feature local Cloverdale pork. You can’t get it anymore fresher than that.

We have competitive prices on all of our fresh meat. We are always looking for special pricing on all of our lunchmeats that we can then pass on to our customers.

Let us serve you the Choice you would like!
