The Grand Rapids Marketplace had several events going on throughout the summer into fall. On July 3<sup>rd</sup> we had the Oscar Meyer Weiner Mobile in our parking lot, yes the same one that later crashed into a house! The drivers of the Weiner Mobile provide fun events for the whole family and the Marketplace staff was outside selling hot dogs and a pop for 50 cents. We sold over 1000 hot dogs in 3 hours that day!

July 30<sup>th</sup> and 31<sup>st</sup> we held our Annual Produce Tent Sale in our parking lot and provided a space for the Greenway High School "Close Up" program fundraiser, where they were raffling off a new 4-wheeler.

On September 11<sup>th</sup> we held our Football Tailgate Party in our store to "kick off" the start of High School and Professional Football. There were games and prizes in every department including a new grill being given away. Employees were allowed to wear jerseys to work.

We also had the United Way here taking donations while we gave away hot dogs, pop, and chips to every customer.

## Upcoming Events:

In the coming weeks we will be holding a Rib Fest in our Meat Department where we will be doing demos of several different types of ribs. Our Annual "Truckload Meat Sale" will take place this October. We also have our Stuff-A-Truck for the local Food Shelf, where we will be trying to fill an entire trailer full of donated groceries. Apple Fest is an event where we will have several Apple flavored items to try throughout our store. With the arrival of hunting comes our "Buck" sale with numerous items available for only \$1. Employees will be encouraged to wear their camouflage for the beginning of Duck season, and their Blaze orange for the opening of Deer season. On October 31<sup>st</sup> we will be holding our 2<sup>nd</sup> Annual Halloween Costume Contest in which employees get to dress up and have the customers vote for their favorite costume. We will be giving away candy and other Halloween bag treats throughout the store.

On June 20<sup>th</sup>, we received some upsetting news that one of our fellow Miracle Mart employee's Connor Crowdus was in a serious accident. His injuries were substantial, but as of this newsletter, he is doing well. A number of our employees pulled together and put together a Hot Dog Sale to help his family with medical expenses.

Louise Lynn, one of our cashiers, has decided to retire after 8 years of service at Arrowhead Miracle Mart. We all wish her well in her future plans!!!
